The Josemont

St. Joseph High School

Fremont, Ohio

We're So Proud

The graduating classes of SJH enjoy the privilege of displaying the distinctive seal of St. Joseph High School on their commencement announcements. Beautifully engraved, it adds a note of dignity and beauty to the occasion.

Embossed in red and silver, the seal gives prominence to the school colors. The shield within the outer circle is borrowed from the coat of arms of the Sisters of Notre Dame who have been teaching in St. Joseph's, Fremont, for a period of 77 years.

While every detail of the shield is deeply symbolic of the spirit and traditions of the Sisters, its major points present many significant aspects to the students. The flaming lamp of early Christian Rome is the symbol of living faith; the lion, king of beasts, is the emblem of courage and strength; the eagle, monarch of birds, suggests spiritual vision; the lily honors Mary Immaculate, patroness of the United States, and the tossing waves and five-pointed stars are also emblematic of Mary.

DEDICATION

We, the graduates of 1955, wish to dedicate The Josemont to Rev. Edward V. Lavey, our principal, whose interest in our welfare has been so deep and sincere. Because of your constant understanding, encouragement, and friendship we feel confident of future success. May we always maintain the Christian ideals we know to be right.

Our appreciation for your zeal and efforts put forth during our senior year will never cease. So it is with deep gratitude that we, the class of '55, lovingly dedicate THE JOSEMONT to you. May your memories of us, the first graduating class during your term as principal, be as pleasant as ours shall be of you.

Turning to the society page they read that **Joyce Daoust,** a two-time gold record winner, has made a "pop" recording entitled, "California Here I Come." A gold record has been awarded to a new vocalist, **Marilyn Fiegelist,** for her recording of "Back Home in Indiana." Here is an interesting item! Because of a broken leg, Tony Curtis was unable to film his picture, "Call of the Wild", but his understudy, **Richard Collier,** has successfully substituted for him. **Robert Darr** is portraying a leading part in the reproduction of "The Quiet Man." **Thomas Mehling** is starring in a new series of Tarzan movies, the first entitled "Tarzan in the Tundra."

Checking over the list of best sellers, they were pleased to see this listing:

Better Apples from Better Trees — **Johnathan Haslinger**

Four Steps to Master Bowling — **Carolyn Bruggeman**

Frowning Fellas Laugh with Ellis — **Beverly Ellis**

Juvenile Delinquency — **Joan Unverferth**

Top Flight — **Shirley Esker**

Forty-two Ways to Get Along With Others — **Mary Ann Patynko**

"Enough of literature," they commented as they turned to the sport page. She made it! **Betty Gabel** has "picked up" enough speed to win the championship of the roller derby. Whitty Mac White, gelding horse owned and ridden by **Ruth Michaels,** finished first in the show horse derby held annually at the world-

famous Churchhill Downs. The Notre Dame football team is now under the new and competent management of **Thomas Ackerman**. **Jeannine Bintz,** now manager of the sensational new baseball team composed of nine brothers, announces the date of their opening game. A new club has recently been organized by **Joan Bergefurd** and christened, "I Love Football" League of America.

Reading over some of the advertisements recalled a few more familiar names. Several have advanced to the "ownership" stage. An ad depicting the new tasty ice cream delicacy, "Eat a Treat" revealed its owner to be **Emanuel Martin. Mary Zitte** has just completed her latest design for the new army uniforms on her horse ranch in Hawaii.

Two competitors have announced the grand openings of their grocery stores. **Robert Schwartz,** president of the Schwartz Grocery Company, now has main offices in Milwaukee. **Albert Darr,** manager, is also announcing the opening of a new Sternbaum Market.

It also interested the editorial staff to note that several appointments have recently been made at St. Joseph Hospital. Appointments include **Norma Wanamaker**, supervisor of nurses, and **Kathryn Bowersox** as the supervisor of Laboratory Technology. **Jeanette Meyer,** R.N., has been awarded a "friendly nurse" medal in recognition of her efforts to cheer the patients by bringing a rose to each room.

Also from the class of "55" there emerged a few chemists. **August Miller** is an agricultural chemist for the federal government. The food chemist, **Sandra Carte,** is now working on a theory to grow bananas in her home town of Fremont.

Robert Mallia, senator from California, is returning to Fremont this week to address the graduates of his Alma Mater. Listed among the service notes is **Kenneth Koch's** recent promotion to admiral in the United States Navy.

Cecilia Link is now supervisor of the Texas branch of the telephone company. The new national president of the women's branch of the Future Farmers of America is none other than **Marilyn Thomsen.** Grund Drug Store has announced that the new delivery service will be under the capable direction of **Robert Mehling.**

Arthur Francis has been issued a patent for his remote carry-out basket which he perfected while working at the A&P during his high school days. **Carrie Edwards** has been granted permission to market her new medicine

Sponsored by Schwartz Grocery

called "Smile A-While". **Eileen Walby's** construction firm has been granted recognition for devising a new and shorter route from Millersville to Fremont.

"Keep In Step" with dancing lessons from **Colleen Reardon,** dance instructor at Arthur Murray Studio, 2013 Madison Ave., Chicago, Ill. Another dancer, **James Morley,** has been elected "Jitterbug King" by the National Jitterbug Association.

Several going-away parties were of interest. **Rosemary Setzler** was feted at a party given in her honor before she left for Texas, where she is planning to open a new photography studio soon. Guest of honor at another farewell party was **Irene Hutchison,** who is planning to move to Tiffin, Ohio where she is accepting a job with Harold's Department Store.

While glancing through "Beauty Tips" the editors recognized the names of some more of their old chums. **Lucille Kramer** has formulated a new shade of green lipstick, especially for redheads. The 1965 "Potato Chip Queen" states that her secret to success is attributed to the actual wearing of ruffles. "Miss Potato Chip 1965" is none other than **Alice Reardon.** Barbara's Beauty Salon has installed a new type of self-service cold-wave permanent invented by the proprietor, **Barbara Cronin. Dean Hoffman,** owner of a classy barber shop, wins many customers by his candid sign: "Haircuts by Hoffman. If we please you, tell your friends. If we don't, tell us!"

The "Round About Town" column disclosed several more names of interest to the editors. A South American Club is featuring this week the expert snake charmer, **Robert Mayle.** New president of the National Bakers of America League is **Tony Szymanowski III.** The Studebaker Corporation announces the employment of **Anna Sloma** as private secretary to the president. **Richard Yingling** has taken over the management of his father's TV store in New York. **Carolyn Weber** is an English instructor at Talbert University, Oklahoma City, Oklahoma. News from the National Undertakers League revealed that **Dan Reardon** has qualified and has received his license to practice as a certified mortician.

"My, this is really a 'scoop' on the class of 1955," declared the editor. "But here's an ad we missed. The new 'Stu House' with **Stewart Walker** as proprietor is now open for business. Let's go, girls, I'm famished."

Class Song

THE HALLS OF IVY

Oh, we love the halls of ivy
That surround us here today,
And we will not forget
Tho' we be far, far away.
To the hallow'd halls of ivy
Ev'ry voice will bid farewell,
And shimmer off in twilight
Like the old vesper bell.
One day a hush will fall.
The footsteps of us all
Will echo down the hall and disappear,
But as we sadly start
Our journeys far apart,
A part of ev'ry heart will linger here
In the sacred HALLS OF IVY,
Where we've lived and learned to know
That thru' the years we'll see you
In the sweet afterglow.

In the treasured haunts of mem'ry
We shall cherish every day,
Though fortune's sun beam clear
Or cloudlets hide its ray.
In the pleasant haunts of mem'ry
Every smile will live again
And friendship's loyal handclasp
Will renew love's refrain.
New friends will come our way,
New problems fill our day,
New places be our stay
As time goes on.
But we shall linger yet
With friends we can't forget
In moments we shall spend
In mem'ry song.
In the sacred dreams of mem'ry
Let us joyfully recall
These years of trusted friendship
Strong and true, one and all.

Class Will

We, the class of 1955 of St. Joseph High School, being of reasonably sound mind and memory do hereby make and publish this our last will and testament.

TO THE PRINCIPAL AND FACULTY MEMBERS:

The pleasure of being rid of us: peaceful classes and quiet study halls. Gratitude and many "thank you's" for all the services and favors rendered us throughout our four years of high school.

TO THE JUNIORS:

Regrets for the opportunities we have lost and resolutions that we didn't keep.

Poise and dignity which you will need as seniors.

We also leave you all the items you may find in the desks we leave behind. If by chance you find anything of possible value, it isn't included in this bequest.

TO THE SOPHOMORES:

We leave to you the long-awaited honor of having your homeroom on the second floor, and with this goes the feeling that you're finally considered an upperclassman.

We also leave you the few traces of meekness and humility that we have left. Even this little bit should be appreciated.

TO THE FRESHMEN:

All our dreams that didn't come true.

The indescribable joy of giggling at everything and nothing.

The pleasures and pangs of growing up. We could tell you a lot, but you'd have to live through it anyway.

Besides these gifts we leave our blessings upon this school and its teachers and our pledge of friendship and loyality in all the activities of the school.

1954 Football Team

Row 2: Charles Herrel, James Porczak, James Lehmann, Carrol Darr, Charles Van Natta, Ronald Miller, Marvin Brudzinski, Thomas Mayle, Robert Mayle, Thomas Burns, Thomas Sneider, Robert Schwartz, Larry Cronin, Gerald Recktenwald. Row 3: Coach Smith, Thomas Kunkle, Thomas Hoffert, Ed Chudzinski, Gary Chudzinski, Michael Foos, Dennis O'Shaughnessy, Ronald Fisher, Dan Reardon, Terry Mosser, Gerald Borer, Albert Darr, Robert Bingle, Ray Barbour, Gerald Zienta, William McKinney, and Coach Dorobek.

Having lost eighteen lettermen from the 1953 season, the coaches, players, and fans did not look forward to an outstanding season. They were fully prepared for a rebuilding year, but to the surprise of all, the team showed a winning form. The players replaced those holes in the line-up with a true fighting spirit, winning six out of the nine games — a record few schools can hope to attain in an "off" year.

Each of the games had all the thrills which one could expect. Some were complete routs while others were as close as anyone could ask for. To start the season off with a bang, the Joemen captured a decisive victory over the Genoa Comets, 20-18. The second team to fall before the Streaks' onrushing tide was Elmore. This second victory of the season and the nineteenth straight win in the SBC tallied 20-12 at the final gun. Scoring 21 points in the last quarter to add another victory to their win column was the story of the Joemen's rout of Fostoria St. Wendelin's with a 27-0 score. A hard-hitting crew from Sandusky St. Mary's proved to be the first team to stop the Streaks. The interception of five St. Joe's passes really threw the wrench into the Joemen's gears. At the end of the hard-fought contest the Panthers were on top, 18-0. It was another rainy night as the gridders from St. Joe's met the Clyde Flyers. With both teams still scoreless at the half, the Flyers managed in the third period to edge over the goal line for a TD. This proved to be the only score of the game. From this defeat we then saw the St. Joe gridmen facing the formidable Tiffin Calvert team. When the first period ended, the score stood 13-0 in favor of the Tiffinites. During the second quarter the Streaks showed a sparked offense. Passes connected, holes opened, enemy passes were intercepted. This rally continued throughout the entire game. The final score of the thriller was St. Joe, 34; Tiffin Calvert, 20. Inspired by what seemed to be a complete about-face in spirit and playing, the Streaks met the reputable Oak Harbor Rockets. In the second period the Streaks scored two touchdowns. The final score of the battle was 12-6. Next on the Joemen's schedule loomed the Gibsonburg Golden Bears. This game proved to be St. Joe's third defeat of the season. Brilliant running on the part of Gibsonburg backs was the winning factor. Because of injuries several regular Joemen were unable to play in this crucial game which ended 34-0 in favor of the Bears. Bringing their nine-game schedule to a close, the Crimson Streaks won their sixth victory in a battle with Lakeside, 24-7.

Thus ended the season of "54" for the Streaks. They have established a fine record, a record far superior to the majority of SBC teams in a rebuilding year. A firm foundation was laid for the "55" team, thus giving us every reason to feel sure of the SBC title next season.

A relatively "green" squad met the challenge by racking up a record of 16 wins over 5 losses, two of which were inflicted by Class A teams. Starting the season with a bang, the Streaks scored five impressive and successive victories over Green Springs, Norwalk St. Paul, Gibsonburg, Genoa, and Fostoria. St. Joe's momentarily lost their shooting eye as they bowed to the Norwalk Truckers. Next the Joemen fell victim to the "red hot" quintet from Toledo Central, the Toledoans scoring 102 points in the contest. An inspired band of Mohawks from Fostoria, St. Wendelin's scored 22 free throws to overcome the Joemen, 54-52. After three defeats the Streaks got back on their feet with SBC victories over Clyde, Oak Harbor, and Elmore, thus clinching the SBC title. Other victories registered by the St. Joe quintet were over Gibsonburg, Huron, and Tiffin Calvert. Woodville nipped the Streaks in a fancy shooting display. Thus ended the season with a fine record of 13 wins to only 4 losses. Following up a highly successful season, the Streaks went on to win the Protest Tournament for the second straight year.

Protest Tournament

St. Joe's scrappy squad and the dangerous dark-horse Crestliners were seeded in the Protest Tounrnament. The Streaks came through with tournament victories over Rossford and Clyde. In the finals, the Joemen won a thriller over the formidable Crestline team, 77-69.

District Tourney

With two trophies in their pockets, the Streaks drew a bye in the first round of the District Tournament. They were then to encounter the winner of the Jackson Liberty - Vanlue game. Outsized by the Vanlue quintet, St. Joe's basketeers were crossed off the tournament sheet, 62-45, by the victorious Vanlue squad.
